# Who We Are

**Defence Online** is part of the Defence Media Division within BiP Solutions. Defence Online is one of the fastest-growing communities of key decision makers representing defence sector buyers and influencers within the Ministry of Defence, Prime Contractors and Industry.

Providing up-to-date and informative news, insight and intelligence, Defence Online allows organisations to engage directly with a range of sector-based solutions, designed specifically to enhance their knowledge and understanding of this ever-evolving marketplace.

No matter the size of your organisation, Defence Online has a range of advertising and marketing solutions to suit your business development requirements, connecting you with a marketplace worth over £19 billion annually in the UK alone.

**MOD Defence Contracts Bulletin** is published in association with MOD's Defence Equipment and Support (DE&S) and the Defence Infrastructure Organisation (DIO), MOD Defence Contracts Bulletin provides all the insider knowledge and expert analysis you need to grow within defence and be part of the fastest growing community of engaged defence professionals.

MOD DCB is brought to you by the official publishers of MOD contracts over £10,000, MOD Defence Contracts Online. **MOD DCO** is the official source of UK MOD contracts, giving you complimentary instant access to all its contract opportunities.

**Defence Contracts International (DCI)** takes the user one step further. It is the only business development solution for suppliers to the defence industry where you can find defence and defence-related contracts, sourced by us, enabling you to identify the most relevant opportunities early.

The UK Government's aspiration is that 25% of public procurement expenditure should be with SMEs; this represents a fantastic opportunity for organisations looking to supply to the defence sector. Defence Online, Defence Contracts Online and Defence Contracts International are exclusively placed to help you access funding and opportunities, as well as putting your business into the inbox of the buyers that matter.

**Contact Defence Online** today to discuss how your organisation can take full advantage of a host of innovative promotion and lead generation packages across both Defence Online and our wider Defence Media channels.
